

Pumpkin Crochet Hat

Materials:

Crochet Hook size I (5.50 mm)

Crochet Hook size K (6.50 mm)

Worsted Weight (#4) Yarn ~ 50-150 yards depending on size making

Yarn Needle

Scissors

Stitches & Abbreviations Used:

Dc = double crochet

Hdc = half double crochet

Sc = single crochet

Ch = chain

St(s) = stitch(es)

BL = work stitch in back loop only

FP = work stitch around the front post

Reverse sc = reverse single crochet, also known as the crab stitch

Size Gauge:

Please check gauge for appropriate sizing, change hook to correct size to obtain gauge.

With Hook K: 9 rows with 12 hdc = 4 inches square

Hat Sizing (not including Stem):

Newborn (12 ¼" around & 5" high - fits up to 14" circumference)

3 to 6 Months (14" around & 5 ½" high - fits up to 15" or 16" circumference)

6 to 12 Months (16" around & 6" high - fits up to 18" circumference)

12 to 24 Months (17" around & 6 ½" high - fits up to 19" circumference)

Child (18" around & 7 ½" high - fits up to 20" circumference)

STEM for all Hat Sizes:Use **Hook I**R1: with Brown Yarn, ch 2, 6sc in 1st ch, join in 1st sc (6)R2: do *not* ch, BL sc in each st around, do *not* join (6)*Notation: you will now work in the rounds with no joins, this eliminate a seam.*

R3-6: sc in each st around (6)

R7: Ch 1, 2sc in each st around, join (12) switch to orange yarn and continue with hat pattern

CURLY VINE for all Hat Sizes:Use **Hook I**

R1: Tightly ch 21, loosely work 2sc in each chain, (40) fasten off and set aside. Once hat is made sew the vine onto hat at the base of the stem.

HAT Pattern Notes:

- *For all sizes, the hat is made using hdc, however, the front post stitches will be double crochets. This helps the stitch be more pronounced and form better ridges.*
- *When the hat rows are no longer increasing stitches you will see that I have “skip next st” in a different order of alternating rows. This is correct, if you alternate your “skip st” your ridges will align strait down the hat (if you did not alternate the “skip” the ridges will curve at an angle).*
- *All hat sizes will have 6 ridges.*
- *Rounds for the hat will begin with R1 at the color change of the stem. Example: first row of orange is R1 of the hat pattern.*
- *Beginning in R2, all front post stitches will be worked around the post stitch from the prior row.*

Newborn size:Use **Hook K**

R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)

R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)

R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)

R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)

R5: Ch 2, [FPdc around st, hdc in next 5 sts, skip next st], repeat [] around, join (36)

R6: Ch 2, [FPdc around st, skip next st, hdc in next 5 sts] repeat [] around, join (36)

R7-11: repeat R5 & R6

R12: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine

3-6 Months Size:Use **Hook K**

R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)

R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)

- R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)
 R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)
 R5: Ch 2, [FPdc around st, hdc in next 6 sts, (FPdc around st, hdc in next 5 sts, skip next st), repeat () 1 more time], repeat [] 1 more time, join (38)
 R6: Ch 2, [FPdc around st, skip next st, hdc in next 6 sts, (FPdc around st, skip next st, hdc in next 5 sts), repeat () 1 more time], repeat {} 1 more time, join (38)
 R7: Ch 2, [FPdc around st, hdc in next 6 sts, skip next st, (FPdc around st, hdc in next 5 sts, skip next st), repeat () 1 more time], repeat [] 1 more time, join (38)
 R8-12: repeat R6 & R7
 R13: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine

6 – 12 Month Size:

Use **Hook K**

- R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)
 R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)
 R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)
 R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)
 R5: Ch 2, [FPdc around st, hdc in next 6 sts], repeat [] around, join (42)
 R6: Ch 2, [FPdc around st, hdc in next 6 sts, skip next st], repeat [] around, join (42)
 R7: Ch 2, [FPdc around st, skip next st, hdc in next 6 sts], repeat [] around, join (42)
 R8-13: repeat R6 & R7
 R14: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine

12 - 24 Month Size:

Use **Hook K**

- R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)
 R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)
 R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)
 R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)
 R5: Ch 2, [FPdc around st, hdc in next 6 sts], repeat [] around, join (42)
 R6: Ch 2, [FPdc around st, hdc in next 7 sts, FPdc around st, hdc in next 6 sts, skip next st], repeat [] around, join (45)
 R7: Ch 2, [FPdc around st, skip next st, hdc in next 7 sts, FPdc around st, skip next st, hdc in next 6 sts], repeat [] around, join (45)
 R8: Ch 2, [FPdc around st, hdc in next 7 sts, skip next st, FPdc around st, hdc in next 6 sts, skip next st], repeat [] around, join (45)
 R9-14: repeat R7 & R8
 R15: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine

Child:

Use **Hook K**

- R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)
 R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)

R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)
 R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)
 R5: Ch 2, [FPdc around st, hdc in next 6 sts], repeat [] around, join (42)
 R6: Ch 2, [FPdc around st, hdc in next 7 sts], repeat [] around, join (48)
 R7: Ch 2, [FPdc around st, hdc in next 7 sts, skip next st], repeat [] around, join (48)
 R8: Ch 2, [FPdc around st, skip next st, hdc in next 7 sts], repeat [] around, join (48)
 R9-16: repeat R7 & R8
 R17: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine

Adult:Use **Hook K**

R1: Ch 2, FPdc in same st you joined in, hdc in next 2 sts, [FPdc in next st, hdc in next 2 sts], repeat [] around, join in top of beg FPdc (18)
 R2: Ch 2, [FPdc around st, hdc in next 3 sts], repeat [] around, join (24)
 R3: Ch 2, [FPdc around st, hdc in next 4 sts], repeat [] around, join (30)
 R4: Ch 2, [FPdc around st, hdc in next 5 sts], repeat [] around, join (36)
 R5: Ch 2, [FPdc around st, hdc in next 6 sts], repeat [] around, join (42)
 R6: Ch 2, [FPdc around st, hdc in next 7 sts], repeat [] around, join (48)
 R7: Ch 2, [FPdc around st, hdc in next 8 sts, FPdc around st, hdc in next 7 sts, skip next st], repeat [] around, join (51)
 R8: Ch 2, [FPdc around st, skip next st, hdc in next 8 sts, FPdc around st, skip next st, hdc in next 7 sts], repeat [] around, join (51)
 R9: Ch 2, [FPdc around st, hdc in next 8 sts, skip next st, FPdc around st, hdc in next 7 sts, skip next st], repeat [] around, join (51)
 R10-19: repeat R8 & R9
 R20: Ch 1, reverse sc in each st around, join, fasten off and weave in all ends, attach vine
